

GENERATIVE ENGINE OPTIMIZATION · SEO, BUT FOR AI ANSWERS

If AI doesn't know you, your next guest won't either.

Travelers now ask ChatGPT, Perplexity, Gemini, Claude and Google AI Overview where to stay. myhotail makes independent hotels visible, trusted, and recommended by AI search - so more guests book direct, commission-free.

**More direct
bookings**

**Zero
commissions**

**Less OTA
dependence**

AUDIT · TRACK · GROW

AUDIT**AI Tracker**

A one-time report of everything - competitors, sentiment and GEO actions, benchmarked across the different AI models.

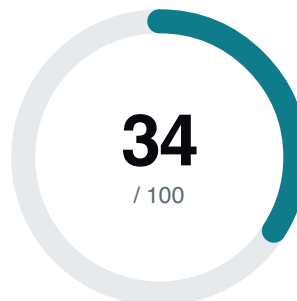

TRACK**AI Visibility Dashboard**

Watch your visibility evolve over time - performance monitoring, prompt coverage and mentions across the AI models.

GROW**Growth Partnership**

An ongoing partnership - we keep improving your AI visibility with you, month after month, as AI search evolves.

SEE WHAT AI SEES

**Your AI Visibility Score**

✗ Not mentioned by **ChatGPT** for “boutique hotels in Lisbon”

AFTER myhotail

“Boutique hotel in Lisbon near Alfama?”

“A great option is **Hotel Miravela** - steps from Alfama, with rooftop views.”
